

## Solid Ground

*The Museum*

Key of A (86 bpm)

Intro: A D

Verse 1:

Every time I look at You, You're smiling at me  
Every time I walk to You, You're running to me  
Every time I lift my hands, You're reaching for me  
Even in the eye of the storm I look to You, beloved I'm Yours

CHORUS:

All I see is a hurricane  
All I feel is an earthquake  
When I'm weak you are stronger now  
So I'll walk on water like it's solid ground

Verse 2: *(Same as Verse 1)*

Every time I wander off, You're looking for me  
Every time I cry to sleep, You're weeping with me  
Every time I get back up, You're dancing with me  
Even in the eye of the storm I look to You, beloved I'm Yours

CHORUS:

All I see is a hurricane  
All I feel is an earthquake  
When I'm weak you are stronger now  
So I'll walk on water like it's solid ground  
I'll walk on water like it's solid ground

Bridge:

No eye has seen, no ear has heard, no mind can understand  
All the good that goes to those who hold tight to His hand

CHORUS 2x
