6            4                            1  
Awake my heart, God I need you now

I could drown alone here in my doubt  
6            4                            1                            5                            6  
Prone to wander from your side, I'm getting tired of tired eyes

God I'm coming here for You... for You

Cause the grace of Jesus is always wider

It's growing on and on and always higher  
                          4                            5    1  
and the grace of Jesus, it lights a fire

Could you light a fire deep down in my soul?
